

Dear Resident,

Welcome! We're excited to announce that we have partnered with Domuso to offer you easy, contactless payment options. Be on the lookout for an email from Domuso that will guide you as you create your online payment account! You can also create your account immediately by clicking [here](#) and searching for your property name.

PAYING RENT

Once you're logged in, click the "Make A Payment" button at the top right corner of the portal. Domuso offers a wide range of payment options:

CONVENTIONAL

- ✓ ACH/eCheck
- ✓ Mobile Check Scan – *personal check*

CERTIFIED

- ✓ Credit or Debit Card
- ✓ Certified ACH
- ✓ MoneyGram
- ✓ Mobile Check Scan* – *money order/certified check*

Mobile App

You can now also pay rent using your mobile device. Download the app using the QR codes to the right.

AutoPay

You can choose to enroll in AutoPay with conventional ACH or credit/debit card, enabling automatic recurring payments. Just toggle the "AutoPay" button at the top right corner of the portal to ON.

Certified Payments

If you pay rent using certified funds, you now have more options available. You can submit certified payments online via Certified ACH or credit card. You can scan a money order or certified check using the mobile app. Or you can visit one of MoneyGram's 30,000 locations across the U.S. with your cash payment, photo I.D., and receiver account number and immediately transmit your payment directly to your property account.

The Domuso resident portal is available on desktop and mobile.

If you're having trouble, Domuso has a support team available to assist you from 8 AM-10 PM EST.

Email us at support@domuso.com or call us at (424) 396-1303.

**Note: payment options available will vary by property.*

Cut out the middle man: keep your payments safe

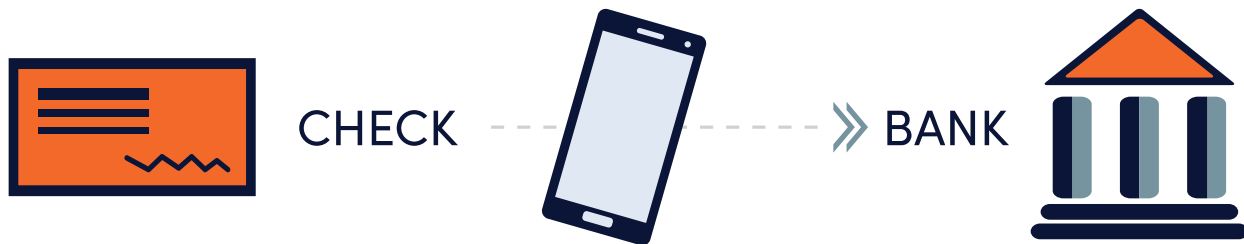

With Domuso, your rent payment goes from you straight to the bank. That means faster payments with fewer potential points of insecurity.

Traditional Payments

VS.

Digital Payments

Safer

Domuso processes billions of dollars every year. And it's built on AWS — the same platform as Amazon — making it as safe as online shopping!

Faster

You can set up and send payments with Domuso in minutes without ever leaving your couch — even for certified payments.

Easier

Everyone's different. That's why Domuso gives you the widest range of payment options possible, from digital transfer to paper check.
